Bainbridge Gives

Bainbridge Community Foundation's Community Grants Cycle (CGC) is an opportunity for island residents to support causes that matter most to them. Whether priorities lie in providing basic needs for neighbors, creating opportunities for traditionally underserved populations, or supporting creative new initiatives in the arts sector, Bainbridge Gives allows for everyone in our community to participate in the CGC.

Last year, BCF partnered with generous donors to award 52 grants for a total of \$422,589 to local nonprofit organizations through its 2021 Community Grants program. These grants were funded in sectors including arts and culture, animal welfare, education, environment, health and human services, and recreation. Of the funded applications, 30 went specifically towards Inclusion, Diversity, Equity, Accessibility, and Social Justice (IDEAS) efforts and 36 were awarded for COVID-19 support.

This year, BCF received over \$525,000 in requests. Please log in to BainbridgeGives.org to see how you can support these worthy applications.
