COMMUNITY GRANTS CYCLE PARTNER GATHERINGS

MAY 2022 ~ HEY DAY FARM AND LOCAL WINERY
(TWO SEPARATE EVENTS)

The annual Community Grant Cycle (CGC) is a community-based approach to grant-making which ensures that local needs are met by our own informed and engaged community members. Each year, up to 60 nonprofits request grants of \$1,000 to \$10,000 through the CGC for programs such as nutritious meals for those in need, expanding work opportunities for vulnerable populations, or installing and maintaining Island hiking trails. These two separate CGC Partner Gatherings give our BCF Fund Advisors and other major supporters an early inside look to learn more about the 2022 Grant Requests and to connect to like-minded philanthropic individuals.
